Sir

Subject - Bye-laws framed by the Corporation of the City of Bangalore for the sanitary control and provision of places used for dyeing in Indigo or other colours

---

Adverting to Government Order No L 6382-5/CII 27-53-91 dated 28th August 1953 according sanction under section 370 of the Corporation Act to the Bye-laws referred to above, I write to state that according to section 8 of the revised bye-laws the licensee is expected to dispose of the coloured refuse from the dyeing factory in such manner as may be approved by the Engineer and shall in no case let coloured refuse into any public drain without the written permission of the Engineer The manufacture of dyes and dyeing fabrics come under the category of offensive and dangerous trades The Health Officer is the authority to sanction licenses for such trades and he is to be satisfied as to the proper disposal of the refuse from the dyeing factories before he could issue a license But as per section 8 of the bye-laws, the refuse shall be disposed of in such manner as may be approved by the Engineer It is in the interest of the smooth working of the bye-laws that the Health Officer who is the authority to issue licenses be entrusted with this work as he is as competent as the Municipal Engineer in this respect It is necessary to amend the bye-laws and substitute the words "Health Officer" for the word "Engineer" wherever it occurs The section referred to above may run as follows -

"He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action He shall dispose of coloured refuse in such manner as may be approved by the Health Officer and shall in no case let coloured

refuse into any public drain without the written permission of the Health Officer"

Yours faithfully,
